

# Blacksmithing Classes

Private classes for adults or kids. Get your hands dirty. Experience the heat and hammer under skilled and patient guidance. Carry on the tradition of craftsmanship, artistry, and badassery, forged in the fire.

## Kids & Adults

## Hooks

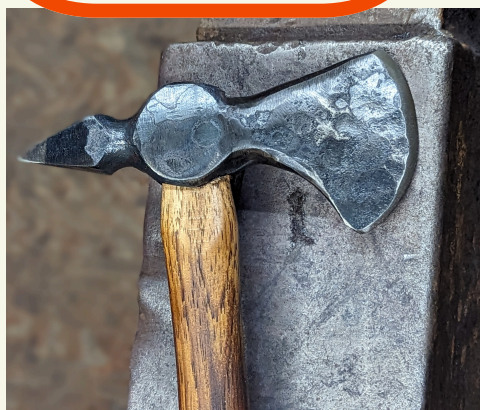

Become a blacksmith's apprentice for the day. Use fire, anvil, and hammer to create functional works of art that'll stick around for generations to come. Browse the website for project ideas and information, or bring your own bold idea to the table.
